Consultants Rock & Bethlehem Rolls 2014 Tour Bethlehem, PA

- 1:00 – 2:30 pm Duke presentation
Finishes and Merchandising in modern counter designs
- A discussion of how to incorporate unique solutions into the design of a serving counter using traditional or contemporary components -- recycled glass, vertical merchandising solutions, and radius counters to formulate a more contemporary look.
- Overview of the advantages of both frameless and framed counters to provide flexibility when designing a serving counter.
- Hands On - with serving equipment incorporating examples and samples of items discussed in the presentation.
- 2:30 pm Afternoon break
- 2:45 – 3:45 pm Q & A with the Chefs of the Sands Casino
- Question & Answer session about how multiple chefs coordinate food production, food offerings and planning at the Sands.
- 4:00 pm Transportation will be provided from the hotel to take our group to Hampton Winds Restaurant at Northampton Community College.
- 4:30 – 6:00 pm Cres Cor presentation
Roast/Braise/Smoke and Holding Techniques – Tools to generate new menu creations
- Utilizing common proteins from standard cooking process of slow roasting, braising, smoking and controlled holding systems, registrants will be involved in a hands-on session to create finished plates from a main product and the communal supplies provided.
- Following a brief lecture and overview of slow roasting techniques, hot and cold smoking process, moist cookery and holding options provided by an array of optional equipment, four teams will be created and each provided with a different major protein to evolve into a culinary creation. Ideation and planning will be followed by production of their collective team dishes.
- All attendees will be involved and creating dishes for a culinary judged competition by using the tools and equipment that consultants specify every day in their kitchen designs. This session will be live interaction with the assistance of a culinary team and provide a competitive end-product to be judged for creativity, flavor, balance, process, ease of assembly, etc. Small plates, big impact.....

Consultants Rock & Bethlehem Rolls 2014 Tour Bethlehem, PA

6:00 – 8:30 pm Hampton Winds cooking workshop

We will enjoy a different hands-on experience – an inspiring participatory cooking event! With the assistance of skilled executive chefs and culinary students from the highly-regarded Culinary Arts program at Northampton Community College, we will be teaming up to prepare our own dinner!

Please have comfortable clothing – no shorts - and closed-toed shoes for this event.

8:30 pm Transportation back to Sands Casino Resort
